Councilmember Rhode spoke up saying she would like to see more license check points.

Committee Reports:

Emergency Preparedness – Councilmember Lockwood: Nothing at this time.

Special Projects – Councilmember Rhode: She said she had been in touch with the Valley Ford Flag Company in regards to getting a Town Flag. They need to have an artist's draw out what should go on the flag and then we need to let them know the dimension and so forth. I have several peoples input on what should go on the flag. It would have the Camilla, Cottageville South Carolina. And instead of putting Small Town or Friendly People we should have the Palmetto tree with the crescent moon in the corner.

The Library was a wonderful event. For those who did not come to the Grand Opening missed a wonderful opportunity. There were so many children who were so enthusiastic about the Library.

Revitalization Committee – Councilmember Underwood: We had a meeting right before Council meeting and we decided a date for the Christmas Parade will be Dec. 15 @ 5:30pm.

Utilities & Water Conservation – Councilmember Sahlmann: Nothing at this moment.
